

## Media Release

### Social Media Post Templates

Please find below copy that can be used on your social media channels to promote the use of your Council's Disaster Dashboard.

Please feel free to adjust the highlighted information to reflect the unique disaster risk your community is facing and the advice your dashboard will provide, including local COVID-19 outbreaks, bushfires, floods, storm surges, heatwaves, drought forecasts, dust storms, water shortages, shark alarms, traffic hazards and road closures, power outages, mobile network disruptions, police incidents and health warnings.

---

#### Facebook LinkedIn

Stay safe during bushfires, floods and storms. Do you know the disaster risk in your area?

Check out our DISASTER DASHBOARD for local emergency information.

- Prepare your home or business
- Monitor COVID-19 developments in your area
- Get live weather warnings
- Track road closures in real time

Visit [disaster dashboard website address] and bookmark your Disaster Dashboard to your favourites.
